Stop-N-Go

Executive Overview

HQ: Madison, WI since 1962
Industry: Convenience Retail
Size: 35+ Locations
Solution: PDI Analytics

Business Challenges

- Wanted increased product support
- Needed to simplify and shorten the report-building process to produce flexible, reliable, accurate reports within their software
- Required a stronger tool before their system became dated

Reduced monthly reporting time by 75%

PDI
TECHNOLOGIES

Pays less for their new software system than the legacy system.

Customer Results

Improved reporting capabilities

Unified data to one central location

Fully-customized reporting options

Built income statements in less than one hour
